What is the name of the building in which the fast food restaurant is located?
(Answer format: xxxxx xxxxx)

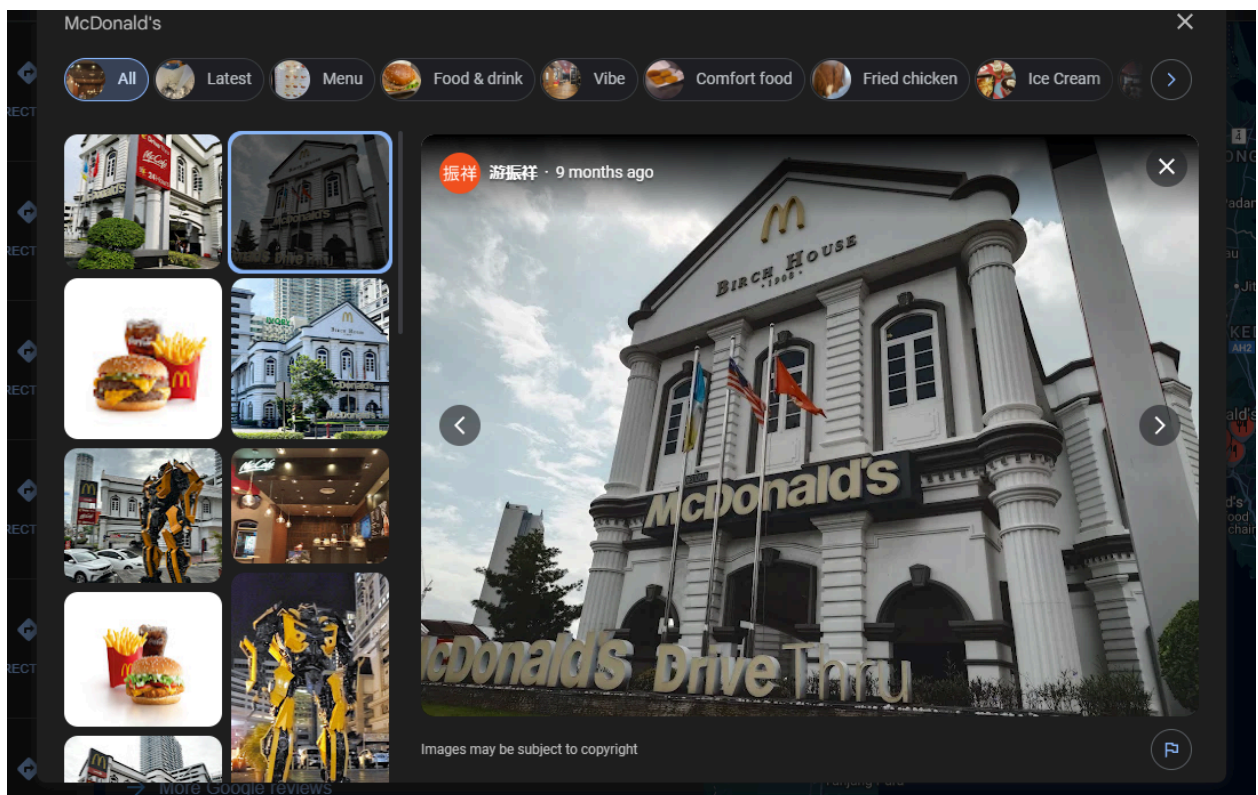

Solving this challenge will unlock Round 5: The Travelling Hackers
and here is the image given

from the image given the flag is actually is from Malaysia the country i live and i just right away search the Mcdonald in Pulau Pinang one of the states in Malaysia

i click the first place and it match with the photo given

i click one of the photo review and found the name of the building and that is our flag

Birch House
